In addition, counselors will have them join in on games, crafts, and other fun activities.
- 3. Do you offer food/beverage options?** Yes, we have an onsite Cafe'. Full Day/Full Week Campers will see a lunch add-on option for purchase. Other campers are welcome to bring discretionary money for snacks, drinks, desserts, etc.
- 4. What is your counselor to camper ratio?** We have 10-12 campers max assigned per counselor
- 5. Do you do background checks on your camp staff?** Yes
- 6. How many years have you been operating your camp?** We've been offering Summer Camps since 2021
- 7. Do you allow outside food or beverage?** Typically this is against our policy, but for FULL DAY campers, you are allowed to bring in lunch if you don't want to purchase our add-on lunch option. We do not provide refrigeration, so you will need to plan accordingly. All Campers are welcome to bring in a water bottle and a snack, although a snack is included for each camper and a water bottle is included for any camper with a full week session.
- 8. Is there a safe place for my child to keep their belongings?** We have a dedicated space for our campers. If you are sending money with your camper, we strongly encourage you at check-in to make the camp director aware of the funds you have provided your child so they can be sure it's kept secure.
- 9. Do you charge for late pickup?** Yes, there will be a \$15 charge for any child not picked up within 10 minutes of the designated pick time. The \$15 charge will be reapplied every 30 minutes you are late. Therefore a child being picked up 1 hr late will incur a \$30 charge.
- 10. How do you ensure child safety during the day and at pickup?** There are a variety of ways we do this as it's a top priority. First, campers have their designated camp shirt on so we can easily identify them. Second, counselors do routine headcounts

throughout each camp session to make sure all campers assigned to them are accounted for. Third, we use a buddy system to make sure no campers are going anywhere without a “partner”. Finally, you will see during registration you are required to list all designated individuals allowed to pick up your camper. If they are not listed or reported during morning check-in, then we will not release your camper without confirmation from the individual who signed up the camper.
